To Whom May It Concern,

This is to certify that **Mr. Tim Vukan** has been teaching Chinese medicine at **Third Hospital of clinical medicine, Zhejiang Chinese Medical University** from May 15th to June 30th 2018.

During this time Mr. Vukan has been teaching **Tuina Massage Therapy, Acupuncture, Moxibustion and Conversation classes** to improve the English level of Chinese bachelor students.

All classes have been taught in English and Chinese to improve the students academic level of Chinese medicine and to strengthen communication skills and to introduce learning methods applied in Chinese hospitals and clinics.

Besides teaching Chinese students in our college, Mr. Tim Vukan helped in the editing some parts of a textbook of Tuina Manipulation .

During this time, Mr. Tim Vukan has been a role model for the whole staff. Tim Vukan was a very hard working, active and organised lecturer in our college. Apart from Mr. Tim Vukan hard work and devotion, he has also a very pleasant personality. Moreover, his longtime study experience in China for more than 13 years as well as his professional knowledge of Chinese medicine made him an innovative foreign Chinese medicine lecturer among the students.

We are looking forward to further teachings by Mr. Tim Vukan starting from November 2018 and thank him for his contribution at our college.
