To Whom May It Concern,

This is to certify that Mr. Tim Vukan has been teaching Chinese medicine at the Third Hospital of Clinical Medicine, Zhejiang Chinese Medical University from November 7th to December 12th 2018.

During this time Mr. Vukan has been teaching Tuina Massage Therapy, Acupuncture Channel Theory and Conversational classes to improve the English level of Chinese bachelor students.

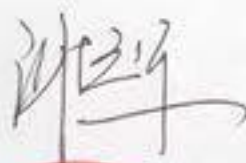

All classes have been taught in English and Chinese to improve the students academic level of Chinese medicine and to strengthen communication skills and to introduce learning methods applied in Chinese hospitals and clinics.

During this time Mr. Tim Vukan has been a role model for the whole staff. Tim Vukan was a very hard working, active and organised lecturer in our college. Apart from Mr. Tim Vukan hard work and devotion, he has also a very pleasant personality. Moreover, his longterm study experience in China for more than 13 years as well as his professional knowledge of Chinese medicine made him an innovative foreign Chinese medicine lecturer among the students.

We are looking forward to further teachings by Mr. Tim Vukan in the Year 2019 and thank him for his contribution at our college.
